1983 Tournament at Arlington - Hamburg**Aug 26 - Sept 5**

All games were played at Arlington - Hamburg. There were 54 leagues and 307 teams in the state. The Class B teams were now called Class AA. The name change was due to the Class A teams from the cities bringing very few fans to the tournament and taking home a full game share of the receipts.

State officials wanted to recognize the B teams for their larger fan base by giving them a higher classification.
